## **EMPLOYMENT**

### ***ACADEMIC APPOINTMENTS:***

08/04- Current           University of Central Florida, College of Nursing  
Assistant Professor

Currently an Assistant Professor of Nursing at the University of Central Florida College of Nursing in Orlando, Florida. Current academic assignment includes the instruction of graduate (MSN/PhD/DNP) students in didactic and clinical courses ranging from foundations of Advanced Practice Nursing, Community Health Nursing, Health and Physical Assessment, Therapeutic Interventions, Diagnostic Reasoning, Roles and Professional Issues, Epidemiology, Adult Health and Acute Care Nursing while continuing established research program in health/social policy discrimination and health disparities among gay, lesbian, bisexual, and transgender (GLBT) persons.  
(Visiting Instructor: 8/04-8/06).

08/03-08/04           Valencia Community College, Department of Health Related Programs  
Professor of Nursing

Wide-range of undergraduate instruction in courses in Nursing (including Foundations of Nursing Science, Health and Physical Assessment, Pharmacology, and Adult Health/Acute and Critical Care). Courses included both didactic and clinical components (ranging from direct hands-on learning in the laboratory setting to arranging clinical preceptors and providing direct patient care on Medical/Surgical and Critical Care Units in a major hospital).

### ***CLINICAL APPOINTMENTS:***

12/03 – Current       Pulmonary and Critical Care Associates  
Advanced Registered Nurse Practitioner

Responsibilities include the provision of healthcare needs to patients admitted to Health Central and South Lake Hospitals in Orlando, Florida for inpatient services and outpatient follow-up. Comprehensive history taking, physical examination and evaluation, diagnostic reasoning, ordering and interpretation of diagnostic tests and overall maintenance of hospitalization as related to Pulmonary/Critical Care are all main facets of current ARNP role.

05/02- 09/04       Greater Orlando Infectious Disease Specialists  
Advanced Registered Nurse Practitioner

Responsibilities included the provision of healthcare needs to patients admitted to Health Central Hospital in Ocoee, Florida for inpatient services and outpatient follow-up. Comprehensive history taking, physical examination and evaluation, diagnostic reasoning, ordering and interpretation of diagnostic tests and overall maintenance of hospitalization as related to infectious disease were all main facets of ARNP role.

07/00- 05/02       Emergency Department, Florida Hospital Orlando  
Registered Nurse

Responsibilities included the delivery of all aspects of nursing care to patients in the second largest Emergency Department in Metropolitan Orlando. Supervision of Licensed Practical Nurses (LPNs), Paramedics, EMTs, and nursing assistants/technicians was a large portion of RN responsibility. Teamwork with Physicians and ARNPs/PAs regarding delivery of optimal patient care was a main facet of RN/Practitioner collaboration.
